1.0 Purpose

In accordance with Texas Higher Education Code Section, 51.949, Student Travel, Texas Southern University has adopted policies and procedures to govern travel by student and student groups. These policies and procedures apply to students and student groups traveling to an event or activity both more and less than twenty-five (25) miles from the University campus.

- 1.1 It is the policy of Texas Southern University (TSU) to assure that all student groups who travel on its behalf do so under conditions that assure their safety and that they are effective representatives of the university.
- 1.2 The University will inform students and student groups and their sponsors of these procedures in writing and will provide ongoing training for faculty and staff on the expectations, regulations, and procedures that govern student travel at Texas Southern University.

2.0 Definitions

2.1 Authorization to Travel Form:

2.3 Certification: A signed statement by the Responsible Party indicating that a student or participant in a student travel group is properly enrolled in the university at the time the student travel occurs.

2.4 Driver Certification: Certification received by a University employee after completing the driver certification program. Employees receive a driver certification card upon successful completion of the certification program.

2.5 Enrolled Student: Any person who is identified as enrolled at the University during the current semester. Enrollment can be confirmed through inquiry of the university's registration system.

2.6 Representing the University: Each student and/or member of a student group, faculty and staff member will be considered to be representing the University when attending University-organized or sponsored activities or events. When traveling with a student group, each member of the group is considered to be representing the University by virtue of inclusion on a list relating to the specific student travel.

2.7 Responsible Party: The faculty or staff member who certifies that the student group is official and that each group member's enrollment status is current. The Responsible Party is also responsible for ensuring that the travel is being funded from the proper funding sources and for verifying that the intended travel is in the interest of the university. The Responsible Party must be from the administrative level of Dean of the College/School or Department Head or higher.

2.8 Student Group or Organization:

2.9 Student Travel: Trips by students or student groups to University-organized or sponsored activities or events; activities or events that require students to be away from the Texas Southern University campus as representatives of the university.

2.10 Travel Sponsor: The person who is directly responsible for all the individuals participating in the travel. The Travel Sponsor's responsibilities include proper preparation of the participants on appropriate behavior and guidelines for travel. This party is also responsible for ensuring that the travel has been properly approved. The Travel Sponsor will accompany the students at all times during the student travel.

3.0 Objectives

The objectives of this policy are as follows:

- 3.1 To ensure that all students or members of student groups who travel as representatives of the University are clearly identified as such.
- 3.2 To ensure that students who travel are properly enrolled at the university.
- 3.3 To ensure that the responsibility for student travel is affixed to the responsible person.
- 3.4 To ensure that the university has complete and clearly written documentation on all travel by student groups.

4.0 Student Travel Guidelines

- 4.1 Students are not permitted to drive University-owned or leased vehicles. Faculty or staff members who have been certified to drive University vehicles must drive on any University-organized or sponsored trip involving the transport of students.
- 4.2 Alcohol and drug use is prohibited during any University-organized or sponsored travel.
- 4.3 Students are governed by the Student Code of Conduct as outlined in the Student Handbook and Student Code of Conduct while on University-organized or sponsored travel. This includes attendance at conferences, workshops, programs, events, and activities.
- 4.4 All student groups traveling for the purpose of attending conferences, workshops, programs and events representing either their student organizations or the university must follow the procedures as prescribed herein. Students shall:
 - 4.4.1 Conduct themselves in a manner that positively reflects upon themselves and Texas Southern University.
 - 4.4.2 Participate fully in the conference or workshop by attending all programs and events as outlined by the conference, workshop, programs, activities, and events as outlined by the hosts or sponsors. If participating as a group, the group will seek to attend as many different sessions as possible in order to obtain the greatest amount of information and/or resources.
 - 4.4.3 Dress appropriately for the conference or event based on the guidelines provided by the conference or event organizers. Any questions regarding dress should be directed to the advisor(s) or the conference organizers prior to leaving.

5.0 Procedures

These procedures shall govern all student travel to an event or activity that is organized and sponsored by the university shall adhere to the following procedures:

- 5.1 The travel sponsor will obtain a student travel information package from the Associate Provost for Student Services. The package will contain the necessary forms and guidelines for travel by student groups.
- 5.2 All requests for approval of travel involving student groups must be submitted to the office of the Associate Provost for Student Services at least two (2) weeks in advance of the travel date.
- 5.3 The Associate Provost for Student Services may approve the request for travel when all required documents have been received.
- 5.4 The Dean of Students' approval must be obtained before submitting the completed authorization to

travel form to the Purchasing Department for processing.

5.5 The authorization to travel form will be used to document student group travel. The form must state:

- 5.5.1 the intended destination;
- 5.5.2 the purpose of the trip;
- 5.5.3 the nature of activities during the trip;
- 5.5.4 the length of stay, and name of lodging if the trip is an overnight stay;
- 5.5.5 the name of the faculty/staff person accompanying the student(s);
- 5.5.6 the mode of transportation;
- 5.5.7 the list of students who will participate in this trip, and;
- 5.5.8 the appropriate funding sources, whether or not paid for by the University.

5.6 The Associate Provost for Student Services must approve the authorization to travel form.

5.7 The Fiscal Office will not process the authorization to travel form for student travel unless the form is signed by the Department Head, Vice President or Dean of the College/School and the Dean of Students.

5.8 The University considers failure of employees to comply with these procedures a direct violation of established policy. Violation of some provisions by a University faculty or staff member may be of such seriousness that it will result in disciplinary action ranging from reprimand to termination. Any such disciplinary action will be taken through normal established procedures.

5.9 Exceptions to the procedures will require written approval from the Vice President or Dean of the college/school.

6.0 Faculty or staff operation of motor vehicles to transport students

6.1 Any faculty or staff driver who transports students must comply with the University's policy relating to operation of motor vehicles. He or she must have a valid Texas Driver's License to operate the vehicle being driven and be certified to drive under the University's driver certification plan. He or she shall have a driver's license and certification card in his or her possession at all times while transporting students. All drivers shall notify the University's Safety Officer of any changes in license status.

6.2 Any driver operating a University-owned or leased vehicle to transport students, or operating his or her personal vehicle to transport students, must comply with the following:

- 6.2.1 Each vehicle shall be loaded in accordance with vehicle manufacturers' recommendations. Vehicles may not be loaded with more passengers than manufacturers' recommended passenger load. The number of occupants in a vehicle shall not exceed the number of working seat belts in the vehicle.
- 6.2.2 All passengers must be seated and required to wear seat belts while the vehicle is in motion.
- 6.2.3 Drivers shall not transport passengers such as hitchhikers, family members or friends for unauthorized use.

- 6.2.10 Drivers should observe state and municipal traffic laws at all times.
- 6.2.11 Drivers should drive courteously and defensively.
- 6.3 A driver shall assume responsibility for any and all fines or traffic violations associated with his or her use of a University-owned or leased vehicle.
- 6.4 Operators should recognize that driving a vehicle for long hours is challenging and should practice certain safety precautions for staying safe and alert. Student trips should be planned in accordance with the following restrictions:
 - 6.4.1 The maximum number of hours that a driver may drive in any calendar day is eight (8) hours.
 - 6.4.2 The maximum number of hours a driver may drive in a week is forty-eight (48) hours.
 - 6.4.3 Every driver must take a rest period of a least twelve (12) hours between his/her driving period.

 - 6.4.9 When drowsy, stop for the night or pull off at a safe place and rest.
 - 6.4.10 Avoid any type of drug to stay awake.

7.0 Student Organizations

- 7.1 This procedure shall be on file in the department requesting the vehicle(s). When more than one vehicle goes on a trip outside the Houston area and only a university faculty or staff member is along, the vehicles shall travel as a caravan. There shall be two faculty or staff drivers who are certified to drive each vehicle.
- 7.2 In the event a Transportation Center vehicle is not available, the appropriate Department Head, or his or her representative, may authorize the use of a personal vehicle or the lease of a vehicle from a local rental agency on a per trip basis.
- 7.3 Registered student organizations are free to make such off-campus trips as are deemed worthwhile by the membership and sponsors of the organization. Students and their parents should understand that participation in such off-campus trips and activities is at the student's own risk. If personal injury or

accident should occur to students or other persons during such activities, Texas Southern University will assume no responsibility, financial or otherwise.

- 7.4 Faculty and staff sponsors and organizations officers are urged to take all possible precautions to ensure the safety and well being of all persons participating in the off-campus activity.
- 7.5 There are no official registration procedures for official off-campus trips, and there are no official class absences for students who participate in off-campus trips by student organizations. Students will be responsible for making their own individual arrangements with instructors for class work missed while participating in an off-campus trip. Instructors will be free to set their own requirements for class work missed under such circumstances; they must grant students an opportunity to make up all course work missed while participating in an official off-campus trip.

8.0 Reporting Accidents

Texas Southern University employees driving University-owned or leased vehicles are required to report all accidents or other losses in accordance with these guidelines. In the event of an accident:

- 8.6 Record the names, addresses, and phone numbers of all witnesses.
- 8.7 Provide all required information to law enforcement officers.
- 8.8 If the vehicle is inoperable, the driver should contact the Police Department at (713) 313-7000 for towing instructions. When towing a vehicle, remove the logbook, keys, fuel cards and all property, which might be lost or stolen.
